**Report of Independent Registered Public Accounting Firm**

To the Members of  
Redrock Trading Partners, LLC

We have audited the accompanying balance sheet of Redrock Trading Partners, LLC as of December 31, 2014 and the related statements of operations, changes in members' equity, and cash flows for the year ended December 31, 2014. In connection with our audit of the financial statements, we have also audited the financial statement schedules listed in the accompanying table of contents. These financial statements and schedules are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and schedules based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements and schedules. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Redrock Trading Partners, LLC at December 31, 2014 and the results of its operations and its cash flows for the year ended December 31, 2014, in conformity with accounting principles generally accepted in the United States of America.

Also, in our opinion, the financial statement schedules, when considered in relation to the basic consolidated financial statements taken as a whole, present fairly, in all material respects, the information set forth therein.

**REDROCK TRADING PARTNERS, LLC**  
**NOTES TO FINANCIAL STATEMENTS**

---

**Note 1**  
**Nature of Business and Summary of Significant Accounting Policies**

---

***Nature of Business***

Redrock Trading Partners, LLC was formed on May 24, 2004 in the State of Arizona as a Limited Liability Corporation (LLC). The LLC was re-domiciled in Georgia on August 12, 2006. The Company is a registered broker-dealer under the provisions of the Securities Exchange Act of 1934. The Company began operations as a broker-dealer in April 2005. The Company provides services on behalf of clients for the purchase and/or sale of securities and private placements. During 2014, 95% of the Company's revenues were derived from one transaction.

***Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

***Cash and Cash Equivalents***

The Company considers all highly liquid debt instruments with a maturity of 90 days or less at the time of purchase to be cash equivalents.

***Restricted Cash***

Restricted cash represents a deposit maintained at a clearing brokerage.

***Income Taxes***

The Company is recognized as a partnership for income tax purposes under the provisions of the Internal Revenue Code for Limited Liability Companies. As a result, income and losses of the Company are passed through to the members for income tax reporting purposes. Accordingly, no provision has been made for federal or state income taxes. The tax returns of the past three years have not been audited, and could be subject to audit.

***Fair Value of Financial Instruments***

The Company's financial assets and liabilities are reported in the statement of financial condition at market or fair value or at carrying amounts that approximate current fair value. Financial instruments consist principally of cash, restricted cash and payables.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy, which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market.

**REDROCK TRADING PARTNERS, LLC**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**Note 1**

---

**Nature of Business and Summary of Significant Accounting Policies (Continued)**

---

***Fair Value of Financial Instruments (continued)***

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are items (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the market participants would use in pricing the asset or liability.

The carrying amounts of cash and cash equivalents, restricted cash and accounts payable, approximate fair value given their short-term nature, a level 3 input.

---

**Note 2**

---

**Concentrations of Credit Risk**

---

The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2014, the Company had no cash in excess of the FDIC insured limits. The Company has not experienced any losses in such accounts.

---

**Note 3**

---

**Net Capital Requirements**

---

The Company, as a registered broker-dealer, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1). Rule 15c3-1 requires the maintenance of minimum net capital of \$5,000, as defined, and requires that aggregate indebtedness, as defined, shall not exceed 15 times net capital. At December 31, 2014, the Company had net capital, as defined, of \$4,748, which falls short of the net capital requirement of \$5,000 by \$252. Due to this fact Redrock Trading Partners filed a 17a-11 notification with the SEC and FINRA as of March 2, 2015. At December 31, 2014, the Company had a ratio of aggregate indebtedness to net capital of 0.002 to 1.

---

**Note 4**

---

**Clearing Agreement, Restricted Cash and Other Assets**

---

The Company has entered into an agreement with a clearing company, whereby the clearing company would execute any customer trades. Net commissions earned are credited to an account in the Company's name. Under this agreement the Company is required to keep a minimum balance of \$1,000 in the account of the clearing company.

The Company also has \$1,617 in a FINRA Flex account at December 31, 2014, which is reported as other assets on the accompanying balance sheet.

**REDROCK TRADING PARTNERS, LLC**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**

---

**Note 5**  
**Related Party and Non-Cash Transactions**

---

Certain expenses of the Company in 2014 in the amount of \$10,976 were assumed and paid directly by one of its members. During the year ended December 31, 2014, the Company incurred and paid \$6,590 in fees from an entity that was a non-controlling member of the Company at the time such fees were incurred and paid.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Members of  
Redrock Trading Partners, LLC

We have reviewed management's statements, included in the accompanying Exemption Report SEC Rule 17a-5(d)(4). In which (1) Redrock Trading Partners, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Redrock Trading Partners, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3, (2)(i) of the provisions of the Customer Protection Rule, which shall not be applicable to a broker or dealer who, carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with his activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and his customers through one or more bank accounts, each to be designated as "Special Account for the Exclusive Benefit of Customers of Redrock Trading Partners, LLC", and (2) Redrock Trading Partners, LLC stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. Redrock Trading Partners, LLC's management is responsible for the compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Redrock Trading Partners, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k), (2)(i) of Rule 15c3-3 under the Securities and Exchange Act of 1934.
